

## Core Competencies

First Class Packaging has been a manufacturer of custom packaging solutions since 1987. Our design engineers focus on providing cost-effective designs that protect and secure your equipment. We specialize in shock resistant packaging, custom foam inserts, wood crating, corrugated boxes, Pelican-Hardigg Case Solutions, Anvil, and Flambeau Cases.

### Products & Services

- Pelican-Hardigg Products, Flambeau Cases, and Anvil Cases
- Heat Treated Wood Crates, Pallets, and Reusable Containers
- Shock Resistant Packaging
- On-Site Crating and Packaging Services
- Die Cutting | Heat Sealing | Laminating | CNC Machining
- Custom foam inserts made from Ethafoam®-Polyethylene's, Polyurethane's, Polypropylene, Anti-Static, and Cross-linked, EPP, EPE
- Able to match your equipment to a specific foam density to maximize its fit, vibration, drop height, and shock absorption while minimizing the overall size and weight of the package
- Case customization options: foam, wheels and casters, handles, hardware, automatic purge valve, colors, etc.

## Past Performance

Industries Served- Aerospace, Commercial, Defense, Technology

- AeroVironment
- Airbus
- Cubic – (Awarded as a Key Supplier by Cubic)
- GKN
- Honeywell
- L-3
- Northrop Grumman
- SPAWAR
- US Gov.- Navy, Marines, Coast Guard, etc.

## Differentiators

- Free Delivery within San Diego and Riverside Counties
- Made in the USA since 1987
- Pelican-Hardigg Technical Solutions Dealer
- Engineered 3D drawings using SolidWorks® & AutoCad® technology
- Extremely responsive, focused on quality, service, and on-time delivery
- Experienced in serving both small and large corporations
- ISO 9001:2015 quality control standards

## Certifications

- Certified: WOSB
- ISO 9001:2015 Quality Certified
- Serving San Diego County and Southern California

## Pertinent Codes

- Duns: 19-984-1057
- CAGE Code: 0GK01
- FSC: 8115, 8135, 8145, 9330, 9999
- NAICS: 321920, 322211, 326150, 326199, 339999, 423840
- Accept Credit and Purchase Cards
